

TAKE YOUR ROLE IN SCHOOLS TO THE NEXT LEVEL

INTEREST-BASED BARGAINING (IBB) FACILITATION Certification Program

BECOME A CERTIFIED IBB FACILITATOR

WHY IBB?

Interest-Based Bargaining (IBB) has been chosen as an explicit response within school settings to uncertain political and economic circumstances, or as a strategy to deal with uncompromising financial, leadership, or staffing issues. Neutral facilitators are integral to support teams in all educational environments.

WHY CEC?

CEC offers proven, interest-based, and effective facilitation skills, both virtual and in-person. Our collaborative approach can guide an organization's decisions in contract negotiations, impact bargaining, and problem-solving conversations that reflect the current environment and confidently address tension and conflict around current issues in schools.

THE FACILITATOR WAS GREAT AND THIS FORMAT WORKED WELL FOR ME. I WOULD HIGHLY RECOMMEND THIS COURSE FOR THOSE PREPARING TO PARTICIPATE IN AN INTEREST-BASED BARGAIN, OR THOSE LOOKING TO BECOME A CERTIFIED FACILITATOR!
